## TAE40122 Certificate IV in Training and Assessment Courses
## Delivered through SpecTraining RTO31971
## Direct all enquiries to admin@itq.net.au

The TAE40122 is comprised of twelve units of competency aimed at developing the core skills of vocational educators. These units are grouped into three main categories as per the list below.

The program is delivered in a face-to-face environment comprising of three workshops:
Workshop 1:  5 Days, covering how to work within a compliance environment and designing training programs
Workshop 2:  5 Days, covering the planning and delivery of training in multiple environments
Workshop 3:  5 Days, covering planning, conducting and validating assessments.

The majority of coursework will be completed at these workshops.
