## Course Overview

This course is designed to prepare drivers to safely operate a heavy Combination (HC) vehicle in accordance with Queensland road rules and industry expectations. Whether you're entering the transport industry or upgrading your licence for professional reasons, this program will develop your confidence and competence in handling heavy Combination vehicles across various environments.

The course covers both theory and practical components and is delivered by experienced trainers either at our training facility or your worksite (by prior arrangement). The program includes, vehicle pre-start procedures, road safety strategies, and extensive behind-the-wheel practice.

The course is suited for learners seeking a new HC licence or for employers aiming to upskill their team in heavy vehicle operations.

## Entry Requirements

- 18+ years of age
- Closed-in footwear (preferably hard caps),

## Learning Outcomes

Participants will learn how to:

- Prepare and conduct vehicle pre-operational checks
- Start, steer, manoeuvre, position and stop a heavy Combination vehicle
- Control the vehicle in a variety of road conditions and traffic situations
- Use engine performance and gears for efficiency and control
- Reverse, park and secure the vehicle safely
- Apply defensive driving techniques and maintain situational awareness
- Shut down and secure the vehicle after operation
